

Oldham.fairentry.com Instructions

4-H entries will need to be entered online. Your information from our database should populate some of the fields so you do not have to enter as much information. You will use your family email that you used on your 4-H enrollment form to access your account and may need to reset your password.

Your family email is the one that needs to be used to log in and create entries for **all family members**. If you are a Teen member, do not use your member specific email. If you are unsure of your email contact Amy at amy.logsdon@uky.edu.

4-H Entries need to be registered online by midnight on July 21.

Go to the Fair website (Oldham.fairentry.com)

Click on the green button that says "sign in with 4HOnline.

Enter the email address and password that was set for 4HOnline.

Click Login and proceed with the entry process.

The screenshot shows the website interface for the 2018 Oldham County Fair. At the top left is the Oldham County Fairgrounds logo. To its right, the text reads "2018 Oldham County Fair" and "Registration is currently **Open**". Below this, registration dates are listed as "5/01/2018 - 7/29/2018".

The main content area is divided into two columns. The left column contains a welcome message and instructions for 4-H families and others. The right column is titled "Exhibitor and Staff sign-in" and features the "4Honline" logo. Below the logo is a "Sign in with 4HOnline" button. Underneath are input fields for "Email" and "Password", followed by a "Sign in" button. There are also links for "Forgot your password?" and "Not in 4-H and need to create a FairEntry account?".

Annotations with arrows point to specific elements:

- A green box with the text "4-H families sign-in here" points to the "Sign in with 4HOnline" button.
- A blue box with the text "If not in 4-H and have already created a FairEntry account, sign-in here." points to the "Sign in" button.
- A black box with the text "If not in 4-H and visiting this site for the first time, create a FairEntry account here." points to the "Not in 4-H and need to create a FairEntry account?" link.

Once you are signed in make sure you choose 4-H under department when entering your items. You may also enter items in other departments but in order to be judged for 4-H they must be under the 4-H Department.

We are really looking forward to seeing all of the great projects!!

Please contact Amy with any questions. She is happy to help you get your items registered.
